

A FAMILY HOUSE WHERE TIME STANDS STILL

www.fonscolombe.fr

Few steps from Aix-en-Provence, the Château de Fonscolombe, is an ancient private 18th century residence completely restored and transformed into a 5 star hotel, member of Relais & Châteaux. The historical listed areas have been fitted out to be a place to live in. One can enjoy reading a book in

the library, taste the house wine in the bar lounge, discover regional flavors in the dining room facing the park, play piano in the gallery, challenge each other at the snooker, or gather friends and family as if at home.

RESTAURANTS & BAR

Our Executive Chef Marc Fontanne masterfully manages the Château's two restaurants: the bistro L'Orangerie, and the gourmet La Table de l'Orangerie, where he infuses his creativity with refined cuisine and delicate seasonings.

A bar has been fitted out in a hushed, elegant atmosphere, not forgetting a more confidential area, the tasting cellar, which is available to guests of the restaurant and hotel, with the possibility of privatisation for tastings in the company of the sommelier.
